GO GREEN FOR THE GREEN!

Metal Recycling Fundraising

Alter's fundraising program provides local, non-profit organizations with the opportunity to raise funds, in a manner that will have a positive impact on the environment.

Cristo Rey Jesuit High School will be the beneficiary of the value of all metal turned into an Alter plant throughout the year, and **Alter will double your metal's value during EARTH MONTH, April 2025**. This is your opportunity to make a contribution for a **3 for 1 impact**: the Earth, Cristo Rey, and a Tax Deduction!

ALL donations must mention "CRISTO REY JESUIT HIGH SCHOOL".

Please consider donating a load, partial load, or even a set dollar amount (any amount will do).

Proceeds will be used to fund student trips to the Dominican Republic where they will help impoverished communities bring running water to their homes.

Donations will be accepted at ANY Alter Facility in Wisconsin and throughout the Midwest.

All donations will be supported with a copy of the weight slip and receipt for your tax records as backup for your donation. **Cristo Rey Jesuit High School Milwaukee is a 501 (c) 3 not-for-profit organization for your tax purposes.**

Please contact us if your company would like to donate. Also, please feel free to share this information with your employees, friends, and family.
