

CRISTO REY

JESUIT HIGH SCHOOL
MILWAUKEE

March 15, 2025

Dear CRJ Parents and Students,

The safety and well-being of our students, staff and community are our top priorities. Every student in our care deserves to feel safe, supported, and protected while in school. After a thorough evaluation of our current systems, we have decided to slightly adjust some of our security measures.

Beginning Monday, March 17, we will no longer be conducting bag checks and wandering as students, staff, and visitors enter the school every day of the week. Instead, we will conduct these safety measures on unannounced, random days. However, our elevated security staffing will remain in place to support our school staff in maintaining safety. While we have relaxed some of the security measures, we want to assure all families and staff that we remain committed to providing a safe and supportive learning environment. We will continue to monitor the situation and adjust our policies as necessary. We want students to feel secure, both physically and emotionally at Cristo Rey Jesuit, especially during this challenging time in our community.

As part of our commitment to streamlining our communications with you and supporting transparency, we wanted to remind you that we have created an information and resource page on our website at crjmke.org/faq. This is where you can find the information and helpful resources the school can provide to you during this difficult time. This information is available in English and Spanish, and we'll continue to update this web page when we have more information to share, **so please continue to check it for updates.**

At Cristo Rey Jesuit High School, our hearts are heavy as we pray for the victims and their families, and all in our school community. We are committed to creating a supportive environment where everyone can find comfort and healing.

In Cristo Rey,

Andrew Stith
President, Cristo Rey Jesuit High School
