JESUIT HIGH SCHOOL
MILWAUKEE

March 21, 2025

Dear Cristo Rey Jesuit Parents and Students,

The updates to the police investigation we communicated with you on March 4 and March 12 were made public today because the District Attorney filed additional counts of invasion of privacy charges to reflect the nine victims that had already been identified during this ongoing police investigation. This is being reported by the media today because this information was made public today. No new conduct is being alleged at this time.

Cristo Rey Jesuit High School stands in solidarity with our students and families to see that Fernando Bustos is brought to justice. We appreciate the hard work of the District Attorney's office and the commitment of the Milwaukee Police Department to ensure the recognition of the victims and that justice is served. We are committed to making sure that our school and campus are safe and that our community receives the necessary support and resources as we all navigate this difficult time.

We continue to pray for the victims and their families, and all in our school community.

In Cristo Rey,

Andrew Stith
President
